Last time when I met you, you promised me that the election rules pertaining to the election of members to the City Municipal Council would be sent for Gazette Publication and on its publication, I could take further action I have to put up election - Calendar and proceed with further work. I see from the last week's Gazette, that the Election rules have not been published I have tentatively fixed the event connected with the publication of the Preliminary Electoral Rolls on the 16th instant. In - view of this, I find it to be essential that the election rules will have to be published immediately, as otherwise I will not have sufficient time to complete the election proceedings by the end of June 1952.

I hope you will treat this matter as very urgent and intimate me the action taken by you so that I may get ready with my voters list I have this day sent you a reply telegram also in the matter

(3) 36 – Closing of polls	Suggest modification of the proviso so as to entitle every elector who has been admitted before the Presiding Officer to vote before closing the polling area to record his vote before closing the polling area-	This is a mere procedural change and may perhaps be accepted if it is not otherwise legally objectionable	I opine every elector has been admitted into the polling at the stipulated hour the polling, even though [illegible] voting [illegible]
(4) Rule 88 Application of section relating to ballot papers	Suggest the making of provision to paste the spoiled votes cast and cancelled a ballot box	This may be accepted.	This has been accepted all doubts

Returning Officer's orders — Returning Officer's Clerk's Duty — Returning Officer's Clerk's Asst Duty — Rule No

This can be done only by Statute as it interferes with rights & property. Cart Bridges will however be made available for holding elections

The Deputy Commissioner may be given the power to commandeer Private Vacant buildings and hand them over to the Returning Officer for conducting the election work

-31- power to Commissioner Bene Civil (Supplied) Mil Comm Civil

This is very necessary to ensure the safe conducting of the Polling work. If this is not done, great confusion will be created at the very door of the building where the voters have to exercise their right of voting

are (1) 21 years age on the 1st day of the preceding the date on which the Electoral Roll is published and (2) Residence for 18 mths in the Constituency prior to the date of Publication of the Roll. It will be very easy to decide these points on the application of the Party who has to produce documents to prove both as per Sec 19 of the Act & Rules thereof. There seems to be no need to provide for any appeals in this respect. However But the only thing we represent that there power to the matter of appeals is taken away and that the Govt be given appellate powers. I think there is no need to give any appellate powers

29 Consideration of the draft rules for regulating the conduct of election of Members to the City Municipal Councils notified in L S G Secretary's notification No L 742-CH/ 27-52-2 dated 11-4-1952

After a general discussion on the subject the Council resolved to make the following suggestions for the consideration of the Government before the proposed draft rules are finally approved

Rule No 8,9 and 10

Inquiry into claims and objections

The Council observed that the draft rules 8,9, and 10 take away the power which the Council had with regard to claims and objections, addition and alteration of the names of voters and other particulars and vest the entire authority in the Returning Officer The Council were of opinion that the provision of a report by the Returning Officer for the decision of the Council and of appeal to Government from the decision of the Municipal Council as laid in Rule 8 of the rules issued in Govt Notification No L 2150 M1/92-33-5 dated 18-9-1933 is necessary and desirable

Rule No 34

Removal for misconduct in polling station

The Council felt that the provision in Section 126, 130 and 131 of the Representation of the People Act 1951 were very salutary and contributed much to the smooth conduct of the last General Elections It was the view of the Council that similar provision should be inserted in the proposed draft rules before Rule No 34

Rule No 36

Closing of polling

The Council felt that the present proviso in the proposed rule No 36 may be modified so as to entitle every elector who has been admitted before the stipulated time into the polling area to record his vote before closing the polling work All electors who are already

within the polling station before the closing hour, whether a ballot paper has been delivered to them or not, should be allowed to record their votes

Rule No 38

Supply of elections materials & ballot boxes

The Council felt that the directions contained in the first sentence of Rule 38 require to be amplified with reference to Rule 19 of the Representation of the People (Conduct of Elections and Election Petitions) Rules 1951, especially in respect of pasting the symbols both inside and outside a ballot box

Rule No 39

Sealing of ballot box before commencement of poll

The Council noted that the procedure proposed with regard to sealing ballot boxes before the commencement of the poll indicates that though the candidates or their agents or other voters are present their presence may be ignored and the Returning Officer may have the boxes sealed They felt however that it was desirable that locking and sealing of ballot boxes should be done in the presence of the candidates, candidates' agents or such of the electors as may be present at the time of commencement of the poll They wish to invite reference in this connection to the relevent portions of Rule 21 of the Representation of the People (Conduct of Elections and Election Petitions) Rules 1951

Rule No 43

Procedure before the ballot paper is delivered to the elector

The Council felt that Rule 43 be amended as follows - after the words 'shall be verified' occuring in the third line of the above rule printed on page 12 of the draft rules, the following be added

"with reference to an identification slip issued by the Returing Officer or an other Officer authorised by him - containing the name of the voter and other particulars relating to him including the name of the polling station at which he has to vote"

The rule as amended will read as follows

Immediately before a ballot paper is delivered to an elector, the number, name and description of the elector as stated in the electoral roll shall be verified with reference to an identification slip issued by the Returing Officer or

any officer authorised by him containing the name of the voter and other particulars relating to him including the name of the polling station at which he has to vote and the nurber of the elector shall be entered on the Counterfoil and a mark ~~xhixii~~ shall be placed in a con of the election roll against the number of the elector to denote that he has received a ballot paper but without showing the particular ballot paper which he has received On the counterfoil ~~xhixi~~ shall be entered the name of the division and the name or distinctive number of the polling station and signature or thumb impression of the elector

accordance with
the suggestions of the Mysore City municipal
Council As regards the other proposals
I am to add that they were either deferred
or not considered not to be acceptable for
the following Reasons —

Rules 8, 9 & 10 : Enquiry as to, claims
and objections

The qualifications for inclusion in
the voters list are now presently (1) Completion
of 21 years of age on the 1st day of April
preceding the date on which the election
roll is published and (2) Residence for
180 days in the Constituency prior to
the date of publication of the election
roll during the last completed 6 years.
It will be very easy to decide
these points on the application of the party
who has to produce documents to
prove these qualifications and the Returning
Officer can finally decide the claims
and objections preferred as provided in
Rule 8 (2) There may therefore be no
need to provide for an appeal in
the present altered circumstances
The question will however be reexamined
in the light of the experience to be
gained during the ensuing elections
to the Devanagere City Municipality in
June 1952

Rule 34 Removal for misconduct
at polling stations

There can be no difference of

opinion as to the desirability adopting the provisions of Sections 126, 130 and 131 of the Representation of the People Act, 1951. But these provisions have to be made by Statute and not by Rules as they affect fundamental rights of association, speech, etc

the power to summon persons & make orders for discovery & production will also have to be given by law & not by rules, as the right to property will be affected

Yours faithfully
